

REGULATION

	Code	Designation
	THB3A	<p>bulb & capillary thermostat</p> <p>temperature range : -35°C / +35°C max load : 16A 250V AC sensor : bulb (2m length capillary) degree of protection : IP44</p>
	THI3A	<p>Atmosphere thermostat</p> <p>temperature range : 0°C / +60°C inside setting max load : 15A 250V AC degree of protection : IP65</p>
	R40	<p>R40 temperature controller</p> <p>temperature range : 0°C / +40°C max load : 16A 250V AC sensor : 3m length NTC degree of protection : IP20</p>
	THE3A	<p>THE3A temperature controller</p> <p>temperature range : 0°C / +60°C max load : 16A 250V AC sensor : 2m length PTC degree of protection : IP54</p>
	THP3A	<p>THP3A temperature controller</p> <p>temperature range : 0°C / +60°C max load : 16A 250V AC sensor : 1,5m length CTP degree of protection : IP67</p> <p>hanging up handle</p>
